I. Introduction

On October 9, 2019, the Postal Service filed a notice of changes to product descriptions pursuant to Commission rule 39 CFR 3020.90.¹ The Postal Service seeks to make changes to Priority Mail Express International (PMEI) product descriptions in the Mail Classification Schedule (MCS). Notice at 1. The changes are intended to take effect on January 26, 2020. *Id.*

II. Summary of Changes

The Postal Service states that “[t]he purpose of these minor modifications is to establish changes to PMEI relating to the list of destination countries offered at a discount at retail, as provided in section 2305.6 of the MCS.” *Id.* The Postal Service avers that the proposed changes satisfy the requirements of 39 CFR 3020.90 because the changes should result in a more accurate representation of the Postal Service’s offerings by informing postal retail customers of the destinations and weight steps eligible for the PMEI discount, the Notice is filed no later than 15 days prior to the intended effective date, and the changes merely revise the MCS without otherwise changing product offerings, or the prices or price groups. *Id.* at 1-2. The Postal Service also asserts that the proposed changes do not significantly change the user experience for any product and that there is no evidence that the changes will significantly impact competitors. *Id.* at 2.
